

2016 PWC Rising Star Award

This award is given to a woman who has been in the A/E/C industry 12 or less years, who has demonstrated strong ethics and values, has proven to learn & think quickly, focuses on customer's needs and sets high standards for herself and is still achieving goals.

They have the ability in building rapport and managing conflict. She works hard in achieving personal work goals and objectives.

This woman has learned in her young career to make decisions, take responsibility, act with confidence and take action in her field. Successful candidates have **not** yet reached a senior-level position but represent a future candidate for the highest level of their profession.

Applications for this award will be evaluated based on the following criteria:

- Demonstrates excellent work ethic.
- Gets their work done in a timely fashion.
- Coworkers and clients see the drive of the individual to advance in their career.
- Takes responsibility for actions.
