

AIA Northeastern Pennsylvania

The Northeast Pennsylvania Chapter of Professional Women in Construction together with the AIA Northeastern Pennsylvania Chapter invites you to attend a half-day seminar on

Building Information Modeling

Wednesday, March 17, 2010 from 9:00 AM until 12:00 Noon at the Marywood University School of Architecture 2300 Adams Avenue, Scranton, PA

Learn about the new technology that allows architects, engineers, contractors and owners to deliver projects faster, more accurately and with reduced environmental impact. The program will provide 3 CEUs for AIA members.

Presenters include Peter Duggan of Proactive Controls Group, LLC and Louis Shapiro, AIA, of Burkavage Design Associates

A light breakfast will be provided and a brief tour of the new Marywood School of Architecture will follow the seminar

Cost for PWC Members, AIA Members, and students: NO CHARGE Cost for Non-Members: \$20

For information or to make a reservation, contact Terri Benedict at (570) 969-5361 or tabe@stevenslee.com or fax (570) 343-1827

Please make all reservations prior to March 12, 2010. The seminar will take place in the Cloud Room located on the 2nd floor of the Center for Architectural Studies. Parking is available behind the Mellow Center and at the Pit parking lot.

Return the bottom portion with your reservation.
