January 9, 2020

2020 Scholarship Award Program for Undergraduate & Graduate Students planning to prepare for a career in the construction related industries.

To Whom It May Concern:

On behalf of PWC – CT Chapter, I am pleased to announce that we are now accepting applications for our annual scholarship program. We will be awarding approximately 15 scholarships to students (male or female) enrolled in undergraduate and graduate degree programs in Construction, Construction Management, Interior Design, Architecture, Landscape Design or Civil, Mechanical, Structural, and Electrical Engineering.

Interested students can find the application form attached and on our website scholarship page (https://www.pwcusa.org/chapters/about-connecticut/connecticut-scholarship/). The application and all required documents must be completed and uploaded no later than Wednesday, March 25, 2020 at 5:00pm (EST). Scholarships will be awarded based on the academic achievements of the applicant, as well as their demonstrated desire to pursue a degree in one of the designated fields of study. The award results will be announced in May 2020 and a presentation will take place at our June scholarship dinner (date to be announces).

We would greatly appreciate your making students aware of the opportunity offered by PWC – CT Chapter and hope you will encourage eligible students to submit their application. If you have any questions, I can be reached at rpaolillo@draws.com or 860.558.0292.

Sincerely,

Ronald N. Paolillo, M.Arch
Scholarship Committee Chair

Professional Women in Construction Mission Statement

Founded in 1980, PWC is a national, non-profit 501(c)3 organization committed to advancing professional, entrepreneurial and managerial opportunities for women and other "non-traditional" populations in construction and related industries.
Application Information & Instructions

The following is all the information needed to be considered a candidate. Please follow the instructions below carefully, and email your completed application rpaolillo@draws.com by:

Wednesday, March 25, 2020 at 5:00pm (EST).
Late applications will not be accepted considered.

ELIGIBILITY
Applicant must be currently enrolled in or entering into a two-year or four-year college undergraduate program or graduate program to study a construction-related discipline (for example: construction management, architecture, civil, mechanical, structural or electrical engineering, interior design, landscape design). Students may be attending a college or university on a full-time or part-time basis.

AWARDS
• The number of scholarships and the cash value of each award will be determined each year by the PWC Board of Directors.
• Scholarships are awarded for one academic year only. Recipients may re-apply each year – providing evidence of continued interest in construction, and continued enrollment and good standing in a construction industry related discipline.
• Preference will be given to students who plan to attend school within the 6 New England States (CT, MA, VT, NH, ME. And RI)

REQUIRED DOCUMENTS
• Complete the application form below. Incomplete applications will not be accepted.
• Include an official copy of your school transcript. If your school requires that transcripts be sent directly to us, please have them sent to:
  Ronald Paolillo
  DRA Architects
  225 Oakland Road, Studio 205
  South Windsor, CT 06074
• Include (2) letters of recommendation. The first letter must be from your professor, guidance counselor, or academic advisor. The second letter can be from a teacher, coach, employer, clergy member, or another adult who knows you, but is not a family member.
  o Note: Letters must have been written within the 6 months prior to submission of your application. Letters must be typed or neatly written, be on official letterhead, and contain the writer’s full name, title, address, and phone number.
• Include an essay (300 words or less) which explains how your planned studies will relate to a career in the construction industry and what event or series of events has led you to pursue a career in the A/E/C industry. Your essay should focus on your desire to enter into one of the A/E/C professions and address why you are a good candidate for the award. Applicants who have previously received PWC scholarships must update your essay (and application) to reflect your current course of study and experiences each year that you apply. In addition to an essay, you are also invited to submit a video and/or photograph of yourself.
